# Hardy English Chrysanthemum Wholesale Clean-up Sale

Grow your own stock plants. Rather than plant our surplus to the field and then dig it this fall and sell them to our many customers as stock plants, we are making the following very special offers to induce you to raise your own. These special prices should take up all our surplus and then we will have no stock plants to offer this fall.

ALL THE FOLLOWING VARIETIES AT 10 FOR \$1.00

(Must Be 10 of Any Variety Ordered)
